

Farmory Executive Director

The Farmory—a growing nonprofit serving communities in and around Green Bay, Wisconsin—is seeking an Executive Director to advance our mission and exemplify our values. We are a team dedicated to sustainable agriculture, with a focus on aquaculture and aquaponics. The Farmory aims to:

- Invigorate and lead the Aquaculture industry in Wisconsin
- Become self-sustaining via our indoor commercial fish hatchery and aquaponics system
- Promote education and offer workforce development to community members through our FarmoryWorks programs

Type of Job: Full-time, including standard benefits

Supervisors: The Farmory Board of Directors' Executive Committee

Key Responsibilities:

- Support, model and always maintain the values and culture of the organization, along with The Farmory's philosophy and goals
- Evaluate and identify innovative ways to utilize limited revenue to support and grow operations and programming
- Acknowledge the potential of The Farmory staff by providing professional development and leadership
- Create a team environment that is welcoming, communicative, productive, and allows for personal growth
- Communicate efficiently and effectively with team members, including the Board of Directors and Committee Chairs
- Remain organized, and balance the various initiatives of The Farmory
- Establish resource development strategies, research and develop local, state, and national funding opportunities
- Nurture and engage with current and prospective donors and contacts to promote The Farmory

Preferred Qualifications:

- Non-profit leadership experience
- Community networking
- Goal-orientated mindset
- Public speaking
- Proficient in use of technology for research, communications, database management, financial analysis, planning, and budgeting

Physical Requirements:

- Lift and carry up to 30 pounds
- Frequent standing and sitting
- Ability to focus for long periods of time
- Ability to reach, stoop, and lift

For interested candidates, please send following document to thefarmory@nwgreenbay.org

- Cover Letter
- Resume
- Three references

Review of well-qualified applicants are in effect immediately until position is filled.

Located in the heart of Green Bay, The Farmory is a 501c3 nonprofit indoor aquaponics farm and fish hatchery. We engage children and adults of all ages in our education, outreach, and service-learning programs. Through our partnerships with local educational institutes, we encourage students of all ages to consider the wide range of career and professional opportunities in sustainable agriculture.
